

Haskell Football Squad, 1928

Haskell Pilot

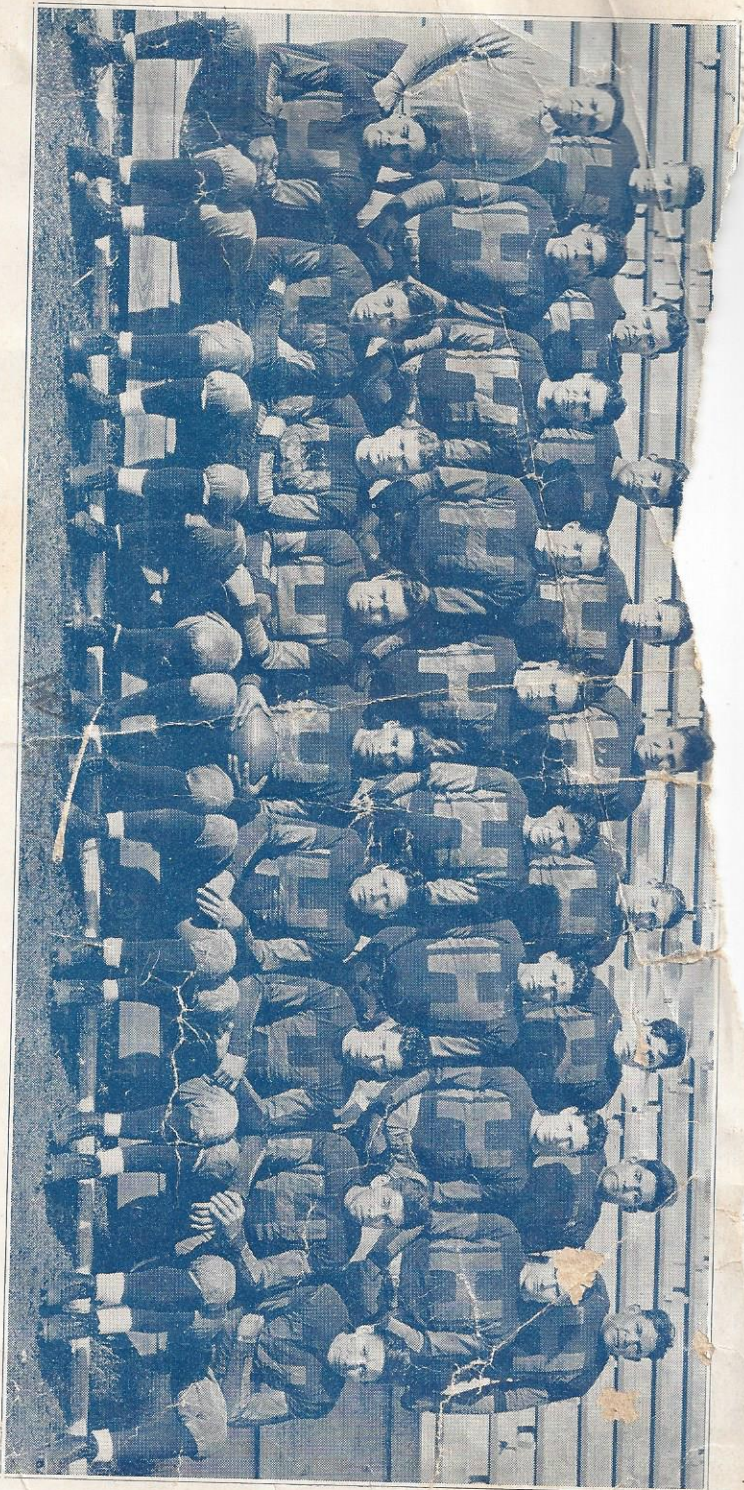

Eugene Fritz, full-blood Cherokee from Collinsville, Okla., is captain of the 1928 Haskell Indian football team which will travel nearly 15,000 miles to play teams in every section of the country this fall. Fritz is a 195-pound tackle and because of a custom of the Cherokees, he is called "Chief." Haskell plays Tulsa U. here in December.
