Full Blood Quapaws

Bill: Who told you, uh, you were telling me, that somebody told you that there wouldn't be no Quapaws anymore?

Grandma: Huh?

Bill: Somebody said there wouldn't be no Quapaws anymore, who said that?

Grandma: After while, won't be no Quapaw, won't be no Quapaw anymore, that's what they told me, my father (Tall Chief). Oh, old people, that's what they say and my father say that too.

Bill: Well, how many full bloods they got now?

Grandma: Huh?

Bill: How many full blood Quapaws are there?

Grandma: Just, you know how much left down there, that's all.
